RE: Winter Season Staffing, Inventory Cutover, and Holiday Schedule

As we head into our busiest quarter, this memo summarizes three operational changes taking effect over the next six weeks. Please read it in full and direct questions to your shift lead.

1. Seasonal Staffing

We are hiring 14 seasonal associates (9 retail, 5 warehouse) for the period of November 2, 2026 through January 15, 2027. Seasonal staff will complete a two-day onboarding on October 29–30. Each new associate will be paired with a permanent team member for their first three shifts. If you are interested in serving as a peer mentor, notify Priya Nandakumar by October 16; mentors receive a $250 stipend for the season.

2. Inventory System Cutover

The warehouse will migrate from the legacy StockLedger system to the new cloud inventory platform over the weekend of October 24–25. During the cutover:

- Receiving will pause from 6:00 PM Friday until 8:00 AM Monday.
- Online orders placed during the window will be queued and shipped Monday.
- A full physical count of the Fernridge warehouse is scheduled for Saturday, October 24. All warehouse staff are scheduled; overtime is approved.

Thank you for the hard work that made Q3 our strongest quarter to date. Let's carry that momentum through the season.
