Q3 2026 Quarterly Business Report

Period: July 1 – September 30, 2026 · Prepared by Finance · Issued October 9, 2026

Executive Summary

Q3 revenue reached **$4,820,000**, up 11.0% from Q2 and 5.9% ahead of plan. Growth came primarily from wholesale, where three regional outfitters expanded their orders, and from e-commerce, which benefited from the August back-to-trail campaign. Gross margin was 41.1%, and operating income was $595,000.

Operational Highlights

• Signed a 24-month fulfillment agreement with Bluefinch Logistics Partners (MSA-2026-007), adding 18,000 sq ft of overflow capacity ahead of the holiday season.
• E-commerce conversion rate improved from 2.4% to 2.9% following the checkout redesign.
• Retail store revenue dipped 2.0% as foot traffic softened during late-summer road construction on Juniper Ridge Way.
• Wholesale customer count grew from 22 to 27 active accounts.

Risks and Outlook

Q4 guidance is **$5.6M–$5.9M** in revenue. Key risks include the October 24–25 inventory system cutover, supplier lead times for down products, and freight cost volatility. The leadership team approved an additional $35,000 in Q4 paid-search spend to capture holiday demand (see September 29 minutes).
