Summit Ridge Coffee Co. — Customer Refund Policy

Oct 11, 2026 · @Rebecca

Policy SRC-CX-003, effective February 1, 2026, owned by Customer Experience Manager Nadia Brooks. It applies at all six Summit Ridge cafés and at shop.summitridgecoffee.com.

In-café drinks and food

Any drink that isn't right is remade free, no questions asked, within 30 minutes of purchase. If the guest prefers not to have a remake, the barista refunds the item to the original payment method.

- Remakes require no manager approval and no receipt; the barista logs them in Toast under the void reason "Remake – Quality."
- Pastries and food items are replaced or refunded the same day with the receipt or order number.
- Drinks more than half consumed are remade but not refunded, unless the complaint involves a foreign object or an allergen.
- Allergen or foreign-object complaints receive a full refund plus a $10 Summit Ridge gift card. The shift lead files an Incident Report within 2 hours.
- Mobile-order drinks left uncollected for more than 60 minutes are not refunded.

Online orders, subscriptions and gift cards

Shipping: Orders lost or damaged in transit are reshipped free or refunded in full. Guests must report damage within 7 days of the delivery date with a photo sent to support@summitridgecoffee.com. Standard shipping fees ($6.95, free over $45) are refunded only when Summit Ridge made the error.

Returns by mail: Guests request a prepaid return label in their account. Return shipping costs $7.50, deducted from the refund unless the item is defective or wrong.

Coffee subscriptions ("Summit Club"):

- Subscriptions can be paused, skipped or canceled online up to 11:59 PM MT the day before the next roast date.
- Shipments already roasted are not refundable. A guest who missed the cutoff receives a 20% credit on the next order instead.
- Prepaid 6-month ($189) and 12-month ($359) plans are refunded pro-rata for unshipped bags, minus a $15 processing fee.

Gift cards: Gift cards never expire, carry no fees and cannot be redeemed for cash, except where state law requires. Colorado guests may request cash back for balances under $5.00. Lost cards can be replaced only if registered at summitridgecoffee.com/giftcard.
